◆ Includes two 90-minute sessions ◆ \$75 per person or \$100 per couple ◆
- ♥ **Advanced Communication Workshops**  
These thought provoking workshops offer in-depth teaching on a variety of topics, including “Creating Harmony”, “Receiving ‘Hard to Hear’ Messages”, “Creating Choice”, “Hearing the ‘Yes!’ Behind the ‘No!’” and other topics relating to raising children and fostering harmony. *Pre-requisite: Introduction to NVC*  
◆ 2 hours ◆ \$50 per person or \$75 per couple ◆
- ♥ **Learning Styles Seminar**  
Using research driven and patented learning style profiles, this seminar helps parents understand their children in remarkable new and different ways. Learning style profiles offer tremendous insight into understanding how to motivate children at home and in school. Parents consistently report that this seminar changes the way they see their children, creating new possibilities for connection and understanding. *Introduction to NVC is a pre-requisite for all Learning Style seminars.*  
◆ 2 ½ hour workshop ◆ \$75 per person + \$25 for each on-line Learning Style Profile ◆
- ♥ **Practice Group**  
Learning Compassionate Communication *is* like learning a new language for most people. Developing fluency requires time and practice. These weekly or twice-monthly practice groups provide teaching, practice, and support in creating harmony and the kind of relationships that parents strive for with their children. “It’s a hundred times better than retail therapy, and a *lot* cheaper, too!” – Participant  
◆ 90-minute sessions, weekly or twice monthly ◆ \$25 per session *or* \$20 per session when paid monthly ◆
- ♥ **Individual Coaching and Educational Consulting**  
Individualized, private coaching for better family functioning, individual goal setting, and educational consulting. Transform your interactions with your family, your child’s teachers, and *yourself!*  
◆ Appointments by phone or in office ◆ \$125 for 50 minute session ◆
- ♥ **Family Coaching**  
Personalized coaching for the whole family in the context of your home-life. We’ll help you develop individualized programs that will enhance family functioning.
